FURNITURE SOLUTIONS

Your Vision. Our Range. Delivered.

Welcome to Level Furniture Solutions

Leaders In The Design Space

We understand that every project involves careful coordination. That's why we focus on making furniture supply simple, dependable and responsive. We specialise in medium to high end furniture for hospitality, hotels and accommodation, healthcare, education, corporate, retail and residential purposes.

Your Partner In Every Project

As a family-owned business with over 40 years of experience in manufacturing and sales, our dedicated trade team works as an extension of yours. From quoting and progress updates to coordinating deliveries, we provide clear and responsive support at every stage.

Value & Visibility

Level's range is a combination of our in-house designs, custom made Australian furniture and various European and Asian manufacturers and suppliers. All our timber furniture is manufactured from sustainable forests and is backed with FSC certificates.

In Stock & Ready To Ship

Our Melbourne warehouse contains over 6000 sqm of our most specified ranges. The Level team provides transparent updates on availability for custom orders, ensuring project teams can plan procurement confidently and keep schedules aligned.

Andi

The Andi collection includes dining chairs, counter stools and barstools designed for commercial spaces that value flexibility, durability and clean design. Crafted from American ash with a refined timber or upholstered seat, each piece brings warmth and character to hospitality venues, workplace settings and residential interiors. Comfortable proportions support everyday use, while the stackable design adds practical efficiency for venues requiring adaptable layouts. Andi is a reliable seating range that balances visual appeal with operational ease.
